

# ENDOW YOUR CURRENT MONTHLY OR ANNUAL GIFT

## Helping Big Table Serve Hope for Future Generations

Your commitment and gifts to Big Table each year have made such a tangible difference in the lives of so many in the restaurant and hospitality industry - right in your community. What if you could continue your support for years to come? Not only is it possible, but it is easy when you endow your annual gift to Big Table.

### HERE'S HOW IT WORKS:

**ENDOWMENT DONATIONS ARE INVESTED.** A portion of the annual income from an investment into the Big Table Care Endowment Fund (approximately 4%) will be used towards direct transformational care and sustaining existing Big Table cities each year. *You can see what endowing your monthly or annual gift looks like on the back.*

**YOUR LEGACY CONTINUES FOR YEARS TO COME.** In other words, endowing your monthly or annual gift to Big Table ensures that your gift will be maintained every year going forward, even after you are gone.

**SO MANY OPTIONS TO SHARE.** Bequests to the Big Table Care Endowment Fund can be shared in various ways. The easiest way to do this is to direct your attorney to include Big Table in your will when you create or revise it. Another simple way is to name Big Table as a beneficiary of an IRA, 401(k) or life insurance policy.

"It's been over 10 years since Big Table came into my life. The love and support they've provided me with over the years has changed my entire life. Since then, I've watched them transform hundreds of people in my own industry."
